Preface to the 1995 Edition

Scope of the Yearbook

A world directory of the Seventh-day Adventist Church is given in the following pages. It includes the General Conference and its international divisions, union and local conferences and missions, and related institutions. Institutions that are managed but not fully owned and operated by church entities are not included. The information has been furnished by the organizations themselves; but in cases where current reports have not been received, the most recent previous records have been retained or adjusted.

In the conference and mission sections, employees are listed in the following sequence: ordained ministers holding ministerial credentials, credentialed commissioned ministers, credentialed commissioned teachers, and credentialed missionaries. The Directory of Workers gives the names and addresses of these workers. Institutional employees are listed separately in the Index of Institutional Workers.

The data that appears below has been summarized largely from the 1993 Annual Statistical Report, while the figures for the number of churches and for church membership throughout the Yearbook are drawn from official reports rendered for June 30, 1994.

Denominational History

Seventh-day Adventists are, doctrinally, heirs of the Millerite movement of the 1840's. Although the name "Seventh-day Adventist" was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church's first missionary, J. N. Andrews, was sent to Switzerland. Africa was penetrated briefly in 1879 when Dr. H. P. Ribton, an early convert in Italy, moved to Egypt and opened a school, but the project ended when riots broke out in the vicinity. The first non-Protestant Christian country entered was Russia, where an Adventist minister

went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1894—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 there were representatives in Japan. The Church now has established work in 209 countries.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The *Advent Review and Sabbath Herald* (now the *Adventist Review*), general church paper, was launched in Paris, Maine, in 1850; the *Youth's Instructor* in Rochester, New York, in 1852; and the *Signs of the Times* in Oakland, California, in 1874. The first denominational publishing house at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened its doors in 1866, and missionary society work was organized on a statewide basis in 1870. The first of the Church's worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, the denominational headquarters was moved from Battle Creek, Michigan, to Washington, D.C., and in 1989 to Silver Spring, Maryland, where it continues to form the nerve-center of an ever-expanding work.

The distinctive Seventh-day Adventist message may be summarized as "the everlasting gospel," the basic Christian message of salvation through faith in Christ, in the special setting of the threefold message of Revelation 14:6-12, the call to worship the Creator, "for the hour of his judgment is come." This message is epitomized in the phrase, "the commandments of God, and the faith of Jesus."

FUNDAMENTAL BELIEFS OF SEVENTH-DAY ADVENTISTS

Seventh-day Adventists accept the Bible as their only creed and hold certain fundamental beliefs to be the teaching of the Holy Scriptures. These beliefs, as set forth here, constitute the church's understanding and expression of the teaching of Scripture. Revision of these statements may be expected at a General Conference session when the church is led by the Holy Spirit to a fuller understanding of Bible truth or finds better language in which to express the teachings of God's Holy Word.

1. The Holy Scriptures

The Holy Scriptures, Old and New Testaments, are the written Word of God, given by divine inspiration through holy men of God who spoke and wrote as they were moved by the Holy Spirit. In this Word, God has committed to man the knowledge necessary for salvation. The Holy Scriptures are the infallible revelation of His will. They are the standard of character, the test of experience, the authoritative revealer of doctrines, and the trustworthy record of God's acts in history. (2 Peter 1:20, 21; 2 Tim. 3:16, 17; Ps. 119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; Heb. 4:12.)

2. The Trinity

There is one God: Father, Son, and Holy Spirit, a unity of three co-eternal Persons. God is immortal, all-powerful, all-knowing, above all, and ever present. He is infinite and beyond human comprehension, yet known through His self-revelation. He is forever worthy of worship, adoration, and service by the whole creation. (Deut. 6:4; Matt. 28:19; 2 Cor. 13:14; Eph. 4:4-6; 1 Peter 1:2; 1 Tim. 1:17; Rev. 14:7.)

3. The Father

God the Eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited in the Son and the Holy Spirit are also revelations of the Father. (Gen. 1:1; Rev. 4:11; 1 Cor. 15:28; John 3:16; 1 John 4:8; 1 Tim. 1:17; Ex. 34:6, 7; John 14:9.)

4. The Son

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly man, Jesus the Christ. He was conceived of the Holy Spirit and born of the virgin Mary. He lived and experienced temptation as a human being, but perfectly exemplified the righteousness and love of God. By His miracles He manifested God's power and was attested as God's promised Messiah. He suffered and died voluntarily on the cross for our sins and in our place, was raised from the dead, and ascended to minister in the heavenly sanctuary in our behalf. He will come again in glory for the final deliverance of His people and the restoration of all things. (John 1:1-3, 14; Col. 1:15-19; John 10:30; 14:9; Rom. 6:23; 2 Cor. 5:17-19; John 5:22; Luke 1:35; Phil. 2:5-11; Heb. 2:9-18; 1 Cor. 15:3, 4; Heb. 8:1, 2; John 14:1-3.)

5. The Holy Spirit

God the eternal Spirit was active with the Father and the Son in Creation, incarnation, and redemption. He inspired the writers of Scripture. He filled Christ's life with power. He draws and convicts human beings; and those who respond He renews and transforms into the image of God. Sent by the Father and the Son to be always with His children, He extends spiritual gifts to the church, empowers it to bear witness to Christ, and in harmony with the Scriptures leads it into all truth. (Gen. 1:1, 2; Luke 1:35; 4:18; Acts 10:38; 2 Peter 1:21; 2 Cor. 3:18; Eph. 4:11, 12; Acts 1:8; John 14:16-18, 26; 15:26, 27; 16:7-13.)

6. Creation

God is Creator of all things, and has revealed in Scripture the authentic account of His creative activity. In six days the Lord made "the heaven and the earth" and all living things upon the earth, and rested on the seventh day of that first week. Thus He established the Sabbath as a perpetual memorial of His completed creative work. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was "very good," declaring the glory of God. (Gen. 1; 2; Ex. 20:8-11; Ps. 19:1-6; 33:6, 9; 104; Heb. 11:3.)

7. The Nature of Man

Man and woman were made in the image of God with individuality, the power and freedom to think and to do. Though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position under God. The image of God in them was marred and they became subject to death. Their descendants share this fallen nature and its consequences. They are born with weaknesses and tendencies to evil. But God in Christ reconciled the world to Himself and by His Spirit restores in penitent mortals the image of their Maker. Created for the glory of God, they are called to love Him and one another, and to care for their environment. (Gen. 1:26-28; 2:7; Ps. 8:4-8; Acts 17:24-28; Gen. 3; Ps. 51:5; Rom. 5:12-17; 2 Cor. 5:19, 20; Ps. 51:10; 1 John 4:7, 8, 11, 20; Gen. 2:15.)

8. The Great Controversy

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God's adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Rev. 12:4-9; Isa. 14:12-

14; Eze. 28:12-18; Gen. 3; Rom. 1:19-32; 5:12-21; 8:19-22; Gen. 6-8; 2 Peter 3:6; 1 Cor. 4:9; Heb. 1:14.)

9. The Life, Death, and Resurrection of Christ

In Christ's life of perfect obedience to God's will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement vindicates the righteousness of God's law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The resurrection of Christ proclaims God's triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of Jesus Christ, before whom every knee in heaven and on earth will bow. (John 3:16; Isa. 53; 1 Peter 2:21, 22; 1 Cor. 15:3, 4, 20-22; 2 Cor. 5:14, 15, 19-21; Rom. 1:4; 3:25; 4:25; 8:3, 4; 1 John 2:2; 4:10; Col. 2:15; Phil. 2:6-11.)

10. The Experience of Salvation

In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Lord and Christ, as Substitute and Example. This faith which receives salvation comes through the divine power of the Word and is the gift of God's grace. Through Christ we are justified, adopted as God's sons and daughters, and delivered from the lordship of sin. Through the Spirit we are born again and sanctified; the Spirit renews our minds, writes God's law of love in our hearts, and we are given the power to live a holy life. Abiding in Him we become partakers of the divine nature and have the assurance of salvation now and in the judgment. (2 Cor. 5:17-21; John 3:16; Gal. 1:4; 4:4-7; Titus 3:3-7; John 16:8; Gal. 3:13, 14; 1 Peter 2:21, 22; Rom. 10:17; Luke 17:5; Mark 9:23, 24; Eph. 2:5-10; Rom. 3:21-26; Col. 1:13, 14; Rom. 8:14-17; Gal. 3:26; John 3:3-8; 1 Peter 1:23; Rom. 12:2; Heb. 8:7-12; Eze. 36:25-27; 2 Peter 1:3, 4; Rom. 8:1-4; 5:6-10.)

11. The Church

The church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world; and we join together for worship, for fellowship, for instruction in the Word, for the celebration of the Lord's Supper, for service to all mankind, and for the world-wide proclamation of the gospel. The church derives its authority from Christ, who is the incarnate Word, and from the Scriptures, which are the written Word. The church is God's family; adopted by Him as children, its members live on the basis of the new covenant. The church is the body of Christ, a community of faith of which Christ Himself is the Head. The church is the bride for whom Christ died that He might sanctify and cleanse her. At His return in triumph, He will present her to Himself a glorious church, the faithful of all the ages, the purchase of His blood, not having spot or wrinkle, but holy and without blemish. (Gen. 12:3; Acts 7:38; Eph. 4:11-15; 3:8-11; Matt. 28:19, 20; 16:13-20; 18:18; Eph. 2:19-22; 1:22, 23; 5:23-27; Col. 1:17, 18.)

12. The Remnant and Its Mission

The universal church is composed of all who truly believe in Christ, but in the last days, a time of widespread apostasy, a remnant has been called out to keep the commandments of God and the faith of Jesus. This

remnant announces the arrival of the judgment hour, proclaims salvation through Christ, and heralds the approach of His second advent. This proclamation is symbolized by the three angels of Revelation 14; it coincides with the work of judgment in heaven and results in a work of repentance and reform on earth. Every believer is called to have a personal part in this worldwide witness. (Rev. 12:17; 14:6-12; 18:1-4; 2 Cor. 5:10; Jude 3, 14; 1 Peter 1:16-19; 2 Peter 3:10-14; Rev. 21:1-14.)

13. Unity in the Body of Christ

The church is one body with many members, called from every nation, kindred, tongue, and people. In Christ we are a new creation; distinctions of race, culture, learning, and nationality, and differences between high and low, rich and poor, male and female, must not be divisive among us. We are all equal in Christ, who by one Spirit has bonded us into one fellowship with Him and with one another; we are to serve and be served without partiality or reservation. Through the revelation of Jesus Christ in the Scriptures we share the same faith and hope, and reach out in one witness to all. This unity has its source in the oneness of the triune God, who has adopted us as His children. (Rom. 12:4, 5; 1 Cor. 12:12-14; Matt. 28:19, 20; Ps. 133:1; 2 Cor. 5:16, 17; Acts 17:26, 27; Gal. 3:27, 29; Col. 3:10-15; Eph. 4:14-16; 4:1-6; John 17:20-23.)

14. Baptism

By baptism we confess our faith in the death and resurrection of Jesus Christ, and testify of our death to sin and of our purpose to walk in newness of life. Thus we acknowledge Christ as Lord and Saviour, become His people, and are received as members by His church. Baptism is a symbol of our union with Christ, the forgiveness of our sins, and our reception of the Holy Spirit. It is by immersion in water and is contingent on an affirmation of faith in Jesus and evidence of repentance of sin. It follows instruction in the Holy Scriptures and acceptance of their teachings. (Rom. 6:1-6; Col. 2:12, 13; Acts 16:30-33; 22:16; 2:38; Matt. 28:19, 20.)

15. The Lord's Supper

The Lord's Supper is a participation in the emblems of the body and blood of Jesus as an expression of faith in Him, our Lord and Saviour. In this experience of communion Christ is present to meet and strengthen His people. As we partake, we joyfully proclaim the Lord's death until He comes again. Preparation for the Supper includes self-examination, repentance, and confession. The Master ordained the service of foot washing to signify renewed cleansing, to express a willingness to serve one another in Christlike humility, and to unite our hearts in love. The communion service is open to all believing Christians. (1 Cor. 10:16, 17; 11:23-30; Matt. 26:17-30; Rev. 3:20; John 6:48-63; 13:1-17.)

16. Spiritual Gifts and Ministries

God bestows upon all members of His church in every age spiritual gifts which each member is to employ in loving ministry for the common good of the church and of humanity. Given by the agency of the Holy Spirit, who apportions to each member as He wills, the gifts provide all abilities and ministries needed by the church to fulfill its divinely ordained functions. According to the Scriptures, these gifts include such ministries as faith, healing, prophecy, proclamation, teaching, administration, reconciliation, compassion, and self-sacrificing service and charity for the help and encouragement of people. Some members are called of God and endowed by the Spirit for functions recognized by the church in pastoral, evangelistic, apostolic, and teaching ministries particularly needed to equip the members for service, to

build up the church to spiritual maturity, and to foster unity of the faith and knowledge of God. When members employ these spiritual gifts as faithful stewards of God's varied grace, the church is protected from the destructive influence of false doctrine, grows with a growth that is from God, and is built up in faith and love. (Rom. 12:4-8; 1 Cor. 12:9-11, 27, 28; Eph. 4:8, 11-16; Acts 6:1-7; 1 Tim. 3:1-13; 1 Peter 4:10, 11.)

17. The Gift of Prophecy

One of the gifts of the Holy Spirit is prophecy. This gift is an identifying mark of the remnant church and was manifested in the ministry of Ellen G. White. As the Lord's messenger, her writings are a continuing and authoritative source of truth which provide for the church comfort, guidance, instruction, and correction. They also make clear that the Bible is the standard by which all teaching and experience must be tested. (Joel 2:28, 29; Acts 2:14-21; Heb. 1:1-3; Rev. 12:17; 19:10.)

18. The Law of God

The great principles of God's law are embodied in the Ten Commandments and exemplified in the life of Christ. They express God's love, will, and purposes concerning human conduct and relationships and are binding upon all people in every age. These precepts are the basis of God's covenant with His people and the standard in God's judgment. Through the agency of the Holy Spirit they point out sin and awaken a sense of need for a Saviour. Salvation is all of grace and not of works, but its fruitage is obedience to the Commandments. This obedience develops Christian character and results in a sense of well-being. It is an evidence of our love for the Lord and our concern for our fellow men. The obedience of faith demonstrates the power of Christ to transform lives, and therefore strengthens Christian witness. (Ex. 20:1-17; Ps. 40:7, 8; Matt. 22:36-40; Deut. 28:1-14; Matt. 5:17-20; Heb. 8:8-10; John 15:7-10; Eph. 2:8-10; 1 John 5:3; Rom. 8:3, 4; Ps. 19:7-14.)

19. The Sabbath

The beneficent Creator, after the six days of Creation, rested on the seventh day and instituted the Sabbath for all people as a memorial of Creation. The fourth commandment of God's unchangeable law requires the observance of this seventh-day Sabbath as the day of rest, worship, and ministry in harmony with the teaching and practice of Jesus, the Lord of the Sabbath. The Sabbath is a day of delightful communion with God and one another. It is a symbol of our redemption in Christ, a sign of our sanctification, a token of our allegiance, and a foretaste of our eternal future in God's kingdom. The Sabbath is God's perpetual sign of His eternal covenant between Him and His people. Joyful observance of this holy time from evening to evening, sunset to sunset, is a celebration of God's creative and redemptive acts. (Gen. 2:1-3; Ex. 20:8-11; Luke 4:16; Isa. 56:5; 6; 58:13, 14; Matt. 12:1-12; Ex. 31:13-17; Eze. 20:12, 20; Deut. 5:12-15; Heb. 4:1-11; Lev. 23:32; Mark 1:32.)

20. Stewardship

We are God's stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God's ownership by faithful service to Him and our fellow men, and by returning tithes and giving offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and the victory over selfishness and covetousness. The steward rejoices in the blessings that come to others as a result of his faithfulness. (Gen. 1:26-28; 2:15; 1 Chron. 29:14; Hag.

1:3-11; Mal. 3:8-12; 1 Cor. 9:9-14; Matt. 23:23; 2 Cor. 8:1-15; Rom. 15:26, 27.)

21. Christian Behaviour

We are called to be a godly people who think, feel, and act in harmony with the principles of heaven. For the Spirit to recreate in us the character of our Lord we involve ourselves only in those things which will produce Christlike purity, health, and joy in our lives. This means that our amusement and entertainment should meet the highest standards of Christian taste and beauty. While recognizing cultural differences, our dress is to be simple, modest, and neat, befitting those whose true beauty does not consist of outward adornment but in the imperishable ornament of a gentle and quiet spirit. It also means that because our bodies are the temples of the Holy Spirit, we are to care for them intelligently. Along with adequate exercise and rest, we are to adopt the most healthful diet possible and abstain from the unclean foods identified in the Scriptures. Since alcoholic beverages, tobacco, and the irresponsible use of drugs and narcotics are harmful to our bodies, we are to abstain from them as well. Instead, we are to engage in whatever brings our thoughts and bodies into the discipline of Christ, who desires our wholeness, joy, and goodness. (Rom. 12:1, 2; 1 John 2:6; Eph. 5:1-21; Phil. 4:8; 2 Cor. 10:5; 6:14-7:1; 1 Peter 3:1-4; 1 Cor. 6:19, 20; 10:31; Lev. 11:1-47; 3 John 2.)

22. Marriage and the Family

Marriage was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in loving companionship. For the Christian a marriage commitment is to God as well as to the spouse, and should be entered into only between partners who share a common faith. Mutual love, honor, respect, and responsibility are the fabric of this relationship, which is to reflect the love, sanctity, closeness, and permanence of the relationship between Christ and His church. Regarding divorce, Jesus taught that the person who divorces a spouse, except for fornication, and marries another, commits adultery. Although some family relationships may fall short of the ideal, marriage partners who fully commit themselves to each other in Christ may achieve loving unity through the guidance of the Spirit and the nurture of the church. God blesses the family and intends that its members shall assist each other toward complete maturity. Parents are to bring up their children to love and obey the Lord. By their example and their words they are to teach them that Christ is a loving disciplinarian, ever tender and caring, who wants them to become members of His body, the family of God. Increasing family closeness is one of the earmarks of the final gospel message. (Gen. 2:18-25; Matt. 19:3-9; John 2:1-11; 2 Cor. 6:14; Eph. 5:21-33; Matt. 5:31, 32; Mark 10:11, 12; Luke 16:18; 1 Cor. 7:10, 11; Ex. 20:12; Eph. 6:1-4; Deut. 6:5-9; Prov. 22:6; Mal. 4:5, 6.)

23. Christ's Ministry in the Heavenly Sanctuary

There is a sanctuary in heaven, the true tabernacle which the Lord set up and not man. In it Christ ministers on our behalf, making available to believers the benefits of His atoning sacrifice offered once for all on the cross. He was inaugurated as our great High Priest and began His intercessory ministry at the time of His ascension. In 1844, at the end of the prophetic period of 2300 days, He entered the second and last phase of His atoning ministry. It is a work of investigative judgment which is part of the ultimate disposition of all sin, typified by the cleansing of the ancient Hebrew sanctuary on the Day of Atonement. In that typical service the sanctuary was cleansed with the blood of animal sacrifices, but the heavenly things are purified with the perfect sacrifice of

the blood of Jesus. The investigative judgment reveals to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy to have part in the first resurrection. It also makes manifest who, among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus, and in Him, therefore, are ready for translation into His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The completion of this ministry of Christ will mark the close of human probation before the Second Advent. (Heb. 8:1-5; 4:14-16; 9:11-28; 10:19-22; 1:3; 2:16, 17; Dan. 7:9-27; 8:13, 14; 9:24-27; Num. 14:34; Eze. 4:6; Lev. 16; Rev. 14:6, 7; 20:12; 14:12; 22:12.)

24. The Second Coming of Christ

The second coming of Christ is the blessed hope of the church, the grand climax of the gospel. The Saviour's coming will be literal, personal, visible and worldwide. When He returns, the righteous dead will be resurrected, and together with the righteous living will be glorified and taken to heaven, but the unrighteous will die. The almost complete fulfillment of most lines of prophecy, together with the present condition of the world, indicates that Christ's coming is imminent. The time of that event has not been revealed, and we are therefore exhorted to be ready at all times. (Titus 2:13; Heb. 9:28; John 14:1-3; Acts 1:9-11; Matt. 24:14; Rev. 1:7; Matt. 24:43, 44; 1 Thess. 4:13-18; 1 Cor. 15:51-54; 2 Thess. 1:7-10; 2:8; Rev. 14:14-20; 19:11-21; Matt. 24; Mark 13; Luke 21; 2 Tim. 3:1-5; 1 Thess. 5:1-6.)

25. Death and Resurrection

The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until

that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later. (Rom. 6:23; 1 Tim. 6:15, 16; Eccl. 9:5, 6; Ps. 146:3, 4; John 11:11-14; Col. 3:4; 1 Cor. 15:51-54; 1 Thess. 4:13-17; John 5:28, 29; Rev. 20:1-10.)

26. The Millennium and the End of Sin

The millennium is the thousand-year reign of Christ with His saints in heaven between the first and second resurrections. During this time the wicked dead will be judged; the earth will be utterly desolate, without living human inhabitants, but occupied by Satan and his angels. At its close Christ with His saints and the Holy City will descend from heaven to earth. The unrighteous dead will then be resurrected, and with Satan and his angels will surround the city; but fire from God will consume them and cleanse the earth. The universe will thus be freed of sin and sinners forever. (Rev. 20; 1 Cor. 6:2, 3; Jer. 4:23-26; Rev. 21:1-5; Mal. 4:1; Eze. 28:18, 19.)

27. The New Earth

On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen. (2 Peter 3:13; Isa. 35; 65:17-25; Matt. 5:5; Rev. 21:1-7; 22:1-5; 11:15.)

THE CONSTITUTION AND BYLAWS of the General Conference of Seventh-day Adventists

(As revised at the Fifty-fifth Session held in Indianapolis, Indiana, July 5 to July 14, 1990.)

CONSTITUTION

Article I—Name

This organization shall be known as the General Conference of Seventh-day Adventists.

Article II—Purpose

The purpose of the General Conference is to teach all nations the everlasting gospel of our Lord and Saviour Jesus Christ and the commandments of God.

Article III—Membership

Sec. 1. The membership of the General Conference shall consist of:

a. All union conferences and union missions that have been or shall be properly organized and accepted by vote of the General Conference in session.

b. All conferences and missions and unions of churches directly attached to the General Conference, and all conferences and missions and unions of churches directly attached to a division, that have been or shall be properly organized.

Article IV—General Conference Sessions

Sec. 1. The General Conference shall hold quinquennial sessions at such time and place as the Executive Committee shall designate and announce by a notice published in the *Adventist Review* in three consecutive issues at least four months before the date for the opening of the session. In case special world conditions make it imperative to postpone the calling of the Session, the Executive Committee, in regular or special council, shall have authority to make such postponement, not to exceed two years, giving notice to all constituent organizations.

Sec. 2. The Executive Committee may call special sessions of the General Conference at such time and place as it considers proper, by means of a notice as provided for in Sec. 1., and the transactions of such special sessions shall have the same force as those of the regular sessions.

Sec. 3. The election of officers, and the voting on all matters of business shall be by viva-voce vote, or as designated by the chairman, unless otherwise requested by a majority of the delegates present.

Sec. 4. The delegates to a General Conference Session shall be designated as follows:

a. Regular delegates.

b. Delegates at large.

Sec. 5. Regular delegates shall represent the General Conference's member union conferences, union missions, member conferences, missions, and unions of churches as defined in Article III, Sec. 1., and shall be appointed with the objective that at least 25 percent be lay delegates as follows:

a. Delegates representing union conferences shall be appointed by the respective unions.

b. Delegates representing union missions, and unions of churches having division affiliation shall be appointed by the respective division executive committees in consultation with the organizations concerned.

c. Delegates representing conferences and missions attached to a division but not to any union conference or mission shall be appointed by the respective division

executive committee in consultation with the organizations concerned.

d. Delegates representing union conferences and union missions, conferences and missions and unions of churches attached to the General Conference but not to any division shall be appointed by the Executive Committee in consultation with the organizations concerned.

Sec. 6. Regular delegates shall be allotted on the following basis:

a. Each union conference and union mission shall be entitled to one delegate other than its president (who is a delegate at large), without regard to membership; and an additional delegate for each conference and mission in its territory without regard to membership.

b. Each union of churches shall be entitled to one delegate, without regard to membership.

c. Each conference and mission directly attached to a division or to the General Conference shall be entitled to one delegate, without regard to membership.

d. Each union conference, union mission, union of churches, and attached conference and mission described in Sections 6-a, 6-b, and 6-c shall be entitled to additional delegates based upon its proportion of the world church membership. The total delegates under this provision shall not exceed 1,200.

Sec. 7. Delegates at large shall represent the General Conference, its divisions, and its organizations and shall be appointed on the following basis:

a. All members of the Executive Committee.

b. Four delegates from each division, without regard to membership, and one additional delegate for each 100,000, or major fraction thereof, of the division membership, such delegates to be appointed by the division executive committee and their credentials to be ratified by the General Conference in session. At least 50 percent of these delegates shall be laypersons, pastors, teachers, and non-administrative employees.

c. Those representatives of the church's general and division institutions and other entities, and those general workers, field secretaries, lay persons, and pastors who are selected by the Executive Committees of the General Conference and its divisions, the credentials for whom are to be ratified by the General Conference in session. The number of these delegates shall not exceed 20 percent of the total number of both regular delegates and other delegates at large herein provided for.

Sec. 8. Credentials to sessions shall be issued by the General Conference to those appointed as provided for in harmony with the provisions of this article.

Sec. 9. Calculations for all delegate allotments as provided for in this article shall be based upon the membership as of December 31 of the second year preceding the General Conference Session.

Article V—Election

Sec. 3. At each regular session of the General Conference, the delegates shall elect the trustees of corporate bodies connected with this organization that may be required by the statutory laws governing each corporate body.

Sec. 4. The Executive Committee shall appoint or employ agents and other persons as necessary to execute its work effectively.

Article X—Bylaws

At any regular or special session of the General Conference the delegates may enact, amend, or repeal bylaws. Such actions may embrace any provision not inconsistent with the Constitution.

Article XI—Amendments

This Constitution or its Bylaws may be amended by a two-thirds vote of the delegates present and voting at any session, provided that, if it is proposed to amend the Constitution at a special session of the General Conference, notice of such purpose shall be given in the call for that special session.

BYLAWS

Article I—Territorial Administration

Sec. 1. The General Conference normally shall conduct its worldwide work through its divisions, each division to operate within a specified territory in harmony with General Conference policies.

Sec. 2. a. The duly-organized divisions are: Africa-Indian Ocean Division, Eastern Africa Division, Euro-Africa Division, Far Eastern Division, Inter-American Division, North American Division, South American Division, South Pacific Division, Southern Asia Division, Trans-European Division, the Union of Soviet Socialist Republics Division. The boundaries of these divisions shall be subject to adjustment only at sessions of the General Conference or at annual councils of the Executive Committee.

b. The duly-organized attached unions are: Middle East Union Mission, South African Union Conference, Southern Union Mission (Africa).

c. China.

Sec. 3. If a territorial adjustment is made at an annual council, it shall be made only provided each division and other territory affected is represented at the council by at least one of its officers, or in the case of an unorganized territory by a senior church leader from that territory. An exception to the requirement of such representation shall be made in a condition of emergency.

In such a case, the Executive Committee shall make whatever adjustments are necessary for the conduct of the work in the territories affected.

Sec. 4. Union conferences and union missions, together with all other organizations and institutions within a division's territory, shall be responsible to that division's executive committee, or in the case of General Conference institutions and fields without divisional affiliation, to the General Conference Executive Committee.

Article II—Standing Committees

Sec. 1. At each regular session of the General Conference, such standing committees as may be found necessary, including the following, shall be elected to consider items of business that may be referred to them and to bring in their reports and recommendations to the session:

- a. Constitution and Bylaws Committee
- b. Plans Committee
- c. Nominating Committee

Sec. 2. a. The membership of the Nominating Committee shall consist of the following:

1) Each division and each attached union shall be entitled to membership on the Nominating Committee based upon its proportion of the world membership as of December 31 of the second year preceding the session. The total under this provision is not to exceed 200 provided, however, that each division shall have at least eight members and each attached union shall have at least one member.

2) Each of the following General Conference institutions shall be entitled to one member on the Nominating Committee: Adventist World Radio-Asia, Andrews University, Christian Record Services, Home Study International, Loma Linda University, Oakwood College, Pacific Press Publishing Association, Review and Herald Publishing Association, and Seventh-day Adventist Radio, Television and Film Center.

b. The members of the Nominating Committee shall be chosen as follows:

1) Each division delegation, each attached union delegation, and each General Conference institutional delegation shall act as a unit in selecting the members to which it is entitled. Other delegates at large will join the delegations from the divisions in which they are or were last employed or now reside.

2) The election of the above representatives on the Nominating Committee shall be by the method of voting considered by each delegation to be most convenient and efficient, taking into consideration the size of the delegation and other circumstances.

c. Each division delegation shall select its representatives on the Nominating Committee to represent as far as possible the various geographical areas, organizational segments, and types of activity of the division.

d. Those chosen as members of the Nominating Committee must be duly accredited delegates in attendance at the General Conference Session.

e. Delegates elected under the provisions of Article V, Section 1-a of the Constitution shall not be members of the Nominating Committee.

f. No delegate shall nominate more than one person for election to the Nominating Committee.

g. The Nominating Committee shall elect its own chairman and secretary under the temporary chairmanship of the President of the General Conference whose term is expiring.

h. The Nominating Committee shall limit its nominations to those positions for which budgetary provision has been made.

i. In order to expedite the work of the Nominating Committee, the representatives from each division shall

be allowed a reasonable amount of time to meet and consider the personnel needs of their respective divisions and to make recommendations to the full Nominating Committee. Decisions of these groups shall not be binding on the Nominating Committee as a whole, but shall be submitted as recommendations which will be considered. The Nominating Committee shall also recommend that the following North American Division Officers serve the General Conference as listed below:

NAD Secretary to serve as General Conference Associate Secretary.

NAD Treasurer to serve as General Conference Associate Treasurer.

Article III—Vice Presidents

Sec. 1. General vice presidents shall be elected to assist the President with the general administrative work of the General Conference. In addition a vice president shall be elected to serve as president of each division of the General Conference.

Sec. 2. The general vice presidents and the president of the North American Division shall in the absence of the President chair meetings of the Executive Committee.

Sec. 3. The vice presidents elected for the divisions shall serve as chairmen of the division executive committees operating in their respective territories and shall have charge of the work in those territories under the direction of the division executive committees and shall be designated within their respective division territories as presidents of the divisions over which they preside.

Article IV—Undersecretary and Associate Secretaries

An undersecretary and associate secretaries shall be elected to share with the Secretary the responsibilities of his office. They shall perform such duties connected with the Secretariat as may be assigned to them by the Secretary.

Article V—Division Secretaries

Sec. 2. Division secretaries shall work under the direction of their respective division executive committees. It shall be their duty to keep the minutes of the division executive committee meetings, to collect information and make such reports as may be required, and to do such other work as usually pertains to this office.

Sec. 3. Division executive committees may appoint associate and assistant secretaries as may be required to carry on the work.

Article VI—Undertreasurer and Associate Treasurers

An undertreasurer and associate treasurers shall be elected to share with the Treasurer the work of his office. They shall perform such duties connected with the Treasury as may be assigned to them by the Treasurer or by the Executive Committee. They may be authorized by the Executive Committee to sign checks under the instruction of the Treasurer.

Article VII—Division Treasurers

Sec. 1. A treasurer shall be elected for each division to be designated "division treasurer."

Sec. 2. It shall be the duty of the division treasurers to receive and disburse the funds of the General Conference made available for their territories, under the direction of their respective division executive committees, and to perform such other duties as usually pertain to this office.

Sec. 3. Division executive committees may appoint an undertreasurer, associate treasurers, and assistant treasurers as may be required to carry on the work.

Article VIII—Division Auditors

In addition to the director of the division Auditing Service, who is elected at the General Conference Session, division executive committees may appoint associate and assistant auditors as may be required to carry on the work.

Article IX—General and Division Field Secretaries

Sec. 1. The term "general field secretary" shall be used to designate general field leaders elected in addition to the officers to serve in carrying the field responsibilities of the General Conference.

Sec. 2. The general field secretaries shall work under the direction of the Executive Committee and the President, and be assigned either to field service or to special projects or responsibilities that are approved by the Executive Committee.

Sec. 3. The term "division field secretary" shall be used to designate field leaders assigned to a division. They may be elected as necessary to serve in the divisions under the direction of their respective division executive committees.

Article X—Departments—Directors/ Secretaries, Associates and Assistants

Sec. 1. The departmental, association, and service directors/secretaries and associates elected by the General Conference shall work under the direction of the Executive Committee, or in the case of departmental, association, or service directors/secretaries in divisions under the direction of their respective division executive committees, and shall occupy an advisory relation to the field.

Sec. 2. The term "associate director/secretary" shall be used to designate those individuals that may be elected to associate with the director/secretary of any General Conference department, association, or service in carrying the responsibilities of the office. Such persons shall have the requisite experience, background, and expertise to facilitate the work of the department in carrying out the functions assigned to it not only at headquarters but also throughout the world field. Certain specialized activities may be largely accomplished without extensive field activity.

Sec. 3. The term "assistant director/secretary" shall be used to designate those persons that are appointed by the Executive Committee to assist the director/secretary and associates in any department, association, or service in carrying the work of the General Conference office, usually in one or more special procedures or functions. These special assignments shall be carried on largely in the office and serve to expedite the work of the departmental staff. Field appointments for departmental assistants shall be of a very limited nature and shall normally be confined to the North American Division.

Article XI—Division Departments—Directors/ Secretaries, Associates, and Assistants

Sec. 1. Division departmental, association, and service directors/ secretaries shall be elected by the General Conference for the respective divisions and shall serve under the direction of their respective division executive committees.

Sec. 2. Division executive committees shall appoint associate and assistant directors/secretaries that may be needed to serve in special capacities, to work under the direction of their respective directors/ secretaries.

Article XII—Director of Archives and Statistics

At each regular session the General Conference shall elect a director of Archives and Statistics whose duties shall be to administer the General Conference Archives and to compile and report the statistics of the world work, and who shall serve under the direction of the Executive Committee.

Article XIII—Executive Committee

Sec. 1. a. During the intervals between sessions of the General Conference, the Executive Committee is delegated the authority to act on behalf of the General Conference in session including the authority to elect or remove, for cause, officers, directors, and associate directors of departments/associations/ services and committee members and to fill for the current term any vacancies that may occur in its offices, boards, committees, or agents by death, resignation, or otherwise.

b. The Executive Committee shall also have power to grant or to withdraw credentials or licenses and to approve committees and employ personnel that may be necessary to execute its work effectively.

c. The Executive Committee shall have power to effect the retirement, before the expiration of the term for which they have been elected, of persons elected under Article V, Sec. 1-a, of the Constitution who may develop a health condition that prevents them from properly discharging their duties.

d. The removal from office by the Executive Committee of any person elected under Article V, Sec. 1-a, of the Constitution or its withdrawal of credentials or licenses shall be by a two-thirds vote of the members present and voting at any regular meeting.

e. The Executive Committee shall have the power to remove, for cause, members from the Executive Committee or any committee for which it is responsible by a two-thirds vote of the members present and voting at any regular meeting.

Sec. 2. a. A meeting of the Executive Committee, known as the Annual Council, shall be held annually for the purpose of considering budget requests and making appropriations, for the transaction of other business, and for the adoption of policies that may be necessary in the operation of the worldwide work.

b. A meeting of the Executive Committee, known as the Spring Meeting, shall be held annually for the purpose of receiving the audited financial reports of the General Conference and for transacting regular Executive Committee business as provided in the General Conference *Working Policy* relating to Spring Meetings.

Sec. 3. A majority of the full membership of the Executive Committee, including the President or a general vice president, is empowered to transact denominational business of any nature at any time and place.

Sec. 4. Any fifteen members of the Executive Committee, including an officer of the General Conference, shall, after due notice to available members, constitute a quorum of the Executive Committee and shall be empowered to transact business that is in harmony with the general plans outlined by the Executive Committee at the designated place of meeting of the Executive Committee as hereinafter provided.

Sec. 5. All meetings of the Executive Committee shall be held at the General Conference headquarters, or at another place that may be voted by the Executive Committee.

Sec. 6. Meetings of the Executive Committee may be called at any time by the ranking officer of the General Conference who may be present at headquarters, and this officer, or any member of the committee appointed by him, shall act as chairman of the meeting.

Article XIV—Division Executive Committees

Sec. 1. In each division, a division executive committee shall be constituted as hereinafter provided for the transaction of business pertaining to the division.

Sec. 2. The members of a division executive committee shall be the President, the Secretary, the Treasurer, and the field secretaries of the division; the presidents of union conferences; the presidents of union missions; the division departmental, Ministerial Association, and service directors/secretaries; and any other member of the General Conference Executive Committee present.

Other members may also be appointed by the division executive committee.

Sec. 3. The actions taken by division executive committees pertaining to the administration of affairs in division territories shall be considered final, provided they are in harmony with the plans and policy of the General Conference as set forth in the Constitution and Bylaws, and with its Executive Committee actions at Annual Councils.

Sec. 4. Five members of a division executive committee, including the chairman, shall constitute a quorum for the transaction of business. When the chairman is unable to be present, the Secretary may convene such a meeting at division headquarters and shall serve as chairman unless otherwise determined by the President. Minority meetings of fewer than five members of the division executive committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present.

Article XV—Auditors and Audits

The Executive Committee shall have the accounts of the General Conference and of its legal corporations audited at least once each calendar year, and the auditor shall report the results of these audits to the Executive Committee annually. The auditor shall report also to the General Conference at its regular sessions. The General Conference Auditing Service shall also be responsible for auditing the accounts of divisions and, through the respective division auditing services, the accounts of the division institutions, union conferences, union missions, conferences, missions, other institutions, and special funds. While the General Conference Auditing Service shall be under the general direction of the Executive Committee, this provision shall not interfere with the independent professional judgment of the Auditing Service.

Article XVI—Remuneration and Expenses

Sec. 1. The Executive Committee shall appoint annually a minimum of eight persons not in its employ who, with officers of the General Conference and not less than seven presidents of union conferences, shall constitute a committee to review the remuneration, related allowances, and expenses of employees.

Sec. 2. The Executive Committee shall have power to make necessary adjustments from time to time in the remuneration of employees.

Article XVII—Funds

Sec. 1. The funds of the General Conference shall be as follows:

a. A title of the title receipts of the union conferences and union missions, unions of churches and of the local conferences and missions not included in union conferences and union missions.

b. Regular mission offerings.

c. Special gifts and proceeds from the maturities of planned giving.

d. A percentage of the title of the local conferences and missions of attached unions as determined by the General Conference Executive Committee or, in the case of North America, the General Conference Executive Committee meeting with the conference presidents.

e. Appropriations from publishing houses, health-care institutions, and other institutions that are under the control of the General Conference which, because of the character of their work, have more than local influence and responsibility, as may be arranged by joint counsel of the Executive Committee and the board of management of each institution.

Article XVIII—Division Retirement Plans

Sec. 1. Divisions shall adopt a plan for the support of retired and/or disabled employees and for dependent spouses and dependents of such employees in harmony with the principles set forth in the General Conference Working Policy.

Sec. 2. Such plans shall be funded by contributions from participating organizations as agreed upon by the respective division executive committees.

Article XIX—Appropriations

Sec. 1. The Executive Committee shall make its appropriations to the world field at Annual Councils. These appropriations are to be based on budget requests from the fields.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major projects shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to divisions shall be administered by the respective division executive committees.

Sec. 4. All funds raised in divisions, except the regular funds belonging to the General Conference, as indicated under Article XVII of the Bylaws, may be used for the advancement of the work in the fields in which they were raised and are to be administered by the respective division executive committees.

Sec. 5. General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.

Article XX—Finance

Sec. 1. To provide a working fund for regular operations and to protect against a possible financial emergency or depression the General Conference shall maintain an amount of working capital as defined and specified in the *Working Policy*.

Sec. 2. The Executive Committee, acting through its legal agency, the General Conference Corporation, shall have power to make annuity contracts; but all moneys obtained in this way shall be invested in securities and not be made available for appropriations until the annuity contracts have matured.

Sec. 3. The tithes and mission offerings received by the General Conference shall be appropriated for the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the Executive Committee, the Treasury, nor of any agent or agency of the denomination, to lend these funds to private individuals, to endorse notes, sign bonds or other securities or in any other way to divert the funds of the General Conference from their intended purpose.

Sec. 4. The basis for computing goals and per capita funds shall be the average of the membership of the four consecutive quarters ending on September 30 of the preceding year as published in the General Conference official statistical reports.

Article XXI—Indemnification

The General Conference shall indemnify any person who is serving or has served as a member of the Executive Committee or Officer of the General Conference (and his/her executor, administrator, and heirs) against all reasonable expenses (including, but not limited to, judgments, costs, and legal fees) actually and necessarily incurred by him/her in connection with the defense of any litigation, action, suit, or proceeding, civil, criminal, or administrative, to which he/she may have been a party by reason of being or having been a member of the Executive Committee or Officer of the General Conference, except he/she shall have no right to

reimbursement for matters in which he/she has been adjudged liable to the General Conference for negligence or misconduct in the performance of his/her duties.

This right of indemnification shall be in addition to, and not exclusive of, all other rights to which such member of the Executive Committee or Officer may be entitled.

Article XXII—Dissolution

In the event of the dissolution of the General Conference Corporation, any funds remaining after all claims

have been satisfied shall be transferred to any tax-exempt religious organization recommended by not less than a two-thirds majority of the Executive Committee and approved by a resolution of not less than three-fourths of the members of the Board of Trustees of the General Conference Corporation of Seventh-day Adventists. The dissolution process shall be in harmony with the procedural requirements of all federal and state laws applicable to unincorporated religious associations or religious corporations.

EDUCATIONAL INSTITUTIONS

The following Directory of Educational Institutions lists denominationally owned secondary, collegiate and university schools with their administrative and teaching personnel. An incomplete secondary school (S-3 or S-4) or a complete elementary school (E-1) is listed only if it is a boarding school or the highest-level Adventist school in the country where it is located.

The categories of the individual schools are given following their names. Categories are based on national systems and national post-secondary requirements for admission to higher education either directly or by officially-recognized examinations. Such terms as "college," "university," or "institute" have varying meanings in different countries. Where more than one category follows the school name, secondary, tertiary and/or graduate tertiary programs function on the same campus under joint administration, even though the faculty listing may not so indicate.

Category	Description of School
G-1	Has four or more schools offering graduate work leading to graduate degrees.
G-2	Offers limited graduate work in its own name.
G-3	Affiliated graduate programs are offered on campus by another institution.
T-1	Four years of post-secondary offerings with twelve or more majors on undergraduate level.
T-2	Four years of post-secondary studies with four to eleven majors on undergraduate level, or studies leading to the first degree.
T-3	Four years of post-secondary studies with one to three majors on undergraduate level or studies leading to the first degree.
T-4	One to three years of post-secondary studies.
S-1	Complete national secondary program, admitting to institutions of higher learning, with specialized terminal courses on secondary level.
S-2	Complete national secondary program, admitting to institutions of higher learning.
S-3	Incomplete secondary program (the number of years varies), not giving admission to institutions of higher learning, with additional worker training courses at that level.
S-4	Incomplete secondary program (the number of years varies), not giving admission to institutions of higher learning.
E-1	Complete elementary (primary) school program, with worker-training courses on elementary level.
U	Unclassified. Falls within none of the categories outlined, or insufficient information is available.

LIST OF COUNTRIES WITH THEIR ORGANIZATIONAL LOCATIONS

This list contains countries and major island groups of the world, especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference or union mission where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country or island group should consult both this list and the index to find the page where the desired Seventh-day Adventist headquarters is given.
